Published Research Work

Sheikh Nahiduzzaman Joy, "Blockchain-Based Central Bank Digital Currency : Empowering Centralized Oversight With Decentralized Transaction."

IEEE Access (Q1 Journal) , Vol. 12, pp. 192689-192709, 2024. DOI: [10.1109/ACCESS.2024.3517147](https://doi.org/10.1109/ACCESS.2024.3517147)

Implementation of Central Bank Digital Currency (CBDC) using blockchain .

In FICTA-2024 conference in hybrid mode organized by AI and Data Science (AI&DS) Research Group, London Metropolitan University, London, United Kingdom.

Achievements

Won best paper award at FICTA-2024 Conference among 42 countries.

Projects

Hardware Based Project (Group Project)

Smart Farming system: Executed a Smart Feeding system for pets through Blynk, integrating NodeMCU and a servo motor. Conducted Health Checkup with ESP8266-connected heart pulse sensor. Implemented Animal Counting and Auto Lighting systems using proximity sensors and LDR. Incorporated Fire Alarm with humidity sensor for farm safety.

Software Based project (Group Project)

Uiu Connects : Developed a Laravel-based web application connecting students and faculty for easy networking, information sharing, and job application, addressing challenges to remote learning.

Technology used: HTML, CSS, JavaScript, PHP and MySQL.

Human Resource Management System: It is a website for managing the employees of a company. Companies can buy different packages from here and manage the information of employees through the website. Here they can track employee attendance, payroll of employees, manage leave applications, track employee's projects etc. In here there are 3 types of users (super admin, manager, employee).

Technology used: HTML, CSS, JavaScript, PHP and MySQL.

Technical skills

- C++, C# , Java, Data Structure
- HTML, CSS, JavaScript, ASP.NET, PHP, Bootstrap, Laravel
- Figma, Adobe Photoshop, Adobe Illustrator
- Git, Git Bash, GitHub, Shell (Bash)
- MySQL, SQL Server, Oracle
- Cisco

Extracurricular Activities

- Champion in local junior Math Olympiad.
- Champion in University Photography contest.

Soft skills

- Leadership
 - Problem-solving
 - Mentoring
 - Public speaking
 - Team work
 - Customer Service
 - Social Media Management
 - Quick Learning skills
 - Language : English, Bangla, Hindi
-
